Please make note of the following:

Question #1: Vehicle comes standard with privacy glass on 2nd row, rear quarter, and rear liftgate. Ford has two options when it comes to Solar Tint. A) 92G – Solar Tint 2nd row. Answer: The standard privacy glass on 2nd Row, rear quarter and rear liftgate is required.

Question #2: I don't see rear window bars and door panels on the bid.

Answer: Window bars and door panels are required.

Question #3: Do you do you own decals (department graphics)?

Answer: The City of Grand Junction will install the graphics.

Question #4: Questions on the Ford option numbers [Item 40 in bid document]; 66A is self explanatory, PTW is available with 21W this would be redundant with the 66A; hemispheric under 60A in available with 66B.

Answer: Please delete 60A, replace with 21W, and add 66B. Any combination is acceptable to achieve the functions requested.

Question #5: Rear seat Bench seat. On this they can do vinyl for less.

Answer: Vinyl rear seats are acceptable.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.
