Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following:

- 1. Question:** In Item 7 of the Specification/Compliance Form do you need the 150 psi and if so then the 185 will not be an option; you will have to go up to the next size to get that 150psi.
Answer: Either option is acceptable. You can offer a higher CFM compressor, or meet the 185 CFM and offer 125 PSI. Please note the information in the Comments Section of the Form.
