### ADDENDUM NO. 1

DATE: **April 11, 2024** 

FROM: **City of Grand Junction Purchasing Division** 

TO: **All Offerors** 

RE: Safe Routes to School - Sidewalk 27 Road IFB-5428-24-DD

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded, and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

- 1. Question: Is it a requirement to keep one lane of traffic open at all times? **Answer:** Yes, This is a requirement for both the north and south project segments. The project segment south of HWY 50 needs to maintain north bound traffic at all times. When possible, the Contractor should maintain two-way traffic.
- 2. Question: Can "Flagging be included as an individual line item to the Bid Schedule? **Answer:** Yes, the bid schedule has been revised to include flagging (Attached)
- 3. Question: Will the City provide door hangers for the Contractor to complete public outreach? **Answer:** Yes
- 4. Question: Will the City be completing the pavement striping in the Ametek parcel parking lot? **Answer:** No, this work is to be performed by the Contractor.
- 5. Question: The project special in the solicitation states "Slump reads "mix design" =+/- 1.5%. Assume this was intended to read "mix design" +/- 1.5"?

**Answer:** This is correct, the slump can deviate by only +/- 1.5" from the mix design.
