Department: <u>General Services</u>	Division: <u>Fleet</u>
Vendor Name: <u>Power Equipment</u>	Net Cost Delivered: \$ <u>34,000</u>

Provide G/L Account where funds are budgeted: 100-180-7900-07
 Project code, if applicable _____

SOLE SOURCE JUSTIFICATION

(INITIAL ALL ENTRIES THAT APPLY)

Material/Service Description: Bomag Asphalt Roller

1. _____ - Uniqueness: Is unique and unavailable from any other source due to proprietary rights, patents, copyrights, secret processes, or monopoly control;
2. _____ - Compatibility: There is a need for compatibility with existing equipment, technologies, or processes, and only a specific product or service can satisfy that need;
3. _____ - Urgency: Delay would lead to serious injury, death, or significant financial loss;
4. _____ - Expertise: The vendor has unique experience, expertise, or capabilities unavailable elsewhere;
5. _____ - Standardization: There is a need to standardize specific equipment or supplies to reduce training, inventory, or maintenance costs, and only one vendor can meet this need;
6. - Written demonstration and justification is available which reasonably and practicably establishes that the selection of a sole source vendor is in the best interest of the City.

Attach Justification Memo and Pricing Documentation, then proceed with signatures below.
After Dept Head approval, forward to Purchasing.

Department Director Approval:

I recommend that competitive procurement be waived and that the service or material described herein be purchased as a sole source.

Fleet Services

Memorandum

TO: Jay Valentine, Director of General Services
CC: Greg Caton, City Manager
FROM: Tim Barker, Automotive and Equipment Manager
DATE: 1/11/2024
SUBJECT: Sole Source Bomag BW90AD-5 Roller

Fleet services is requesting sole source approval for the purchase of a Bomag asphalt roller from Power Equipment Company in the amount of \$34,000.

The Project Team has funds budgeted for the purchase of an asphalt roller to be used for street patching, as well as other scheduled projects such as construction ground compaction.

Initial Sourcewell quotes were obtained for this purchase and due to manufacturing times product delivery was estimated at 300-500 days at a price of \$38,995.00. Power equipment company recently received a new unit that was ordered in 2022 that the buyer canceled out on. This unit is in the dealer's possession and is brand new with full warranty. Due to this unit being a 2022 model, it is not eligible for Sourcewell pricing but has been offered to the City for \$34,000.00 which is just under a \$5,000 discount.

Fleet services requests approval to purchase the in stock unit, save \$5,000.00 and bypass a year and a half wait time to receive a unit that could be put to work right away.
