CITY OF Grand Junction COLORADO
PURCHASING DIVISION

ADDENDUM NO. 1

DATE: October 23, 2026
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: Aluminum Chlorohydrate (ACH) IFB-6000-26-KN

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Q:** Would it be possible to get the previous bid tabulation for the ACH, or to know who the current bidder is with the current rate?

   A: This is the first time the City of Grand Junction has formally solicited competitive bids for Aluminum Chlorohydrate (ACH). Historically, the quantities purchased and associated expenditures did not exceed the City's purchasing thresholds requiring a competitive solicitation process. Therefore, there is no previous bid tabulation available.

   The City has historically purchased ACH from Nalco, although our most recent orders have been placed with Thatcher Company.

   Regarding previous or current pricing, this information may be obtained by submitting a Colorado Open Records Act (CORA) request. Requests can be submitted through the City Clerk's Public Records portal at the following link: https://cityofgrandjunctionco.nextrequest.com/

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

K Nelson

Kassy Nelson, Buyer
City of Grand Junction, Colorado
