ADDENDUM NO. 2

Date: October 26, 2026
From: City of Grand Junction Purchasing Division
To: All Proposers
RE: On-Call Encampment Cleanup, Biohazard Remediation, and Abandoned Vehicle Removal Services, RFP-5996-26-KF

This Addendum provides the City's responses to questions received regarding the above-referenced Solicitation and clarifies its requirements as outlined below.

1. **Question:** Would the City consider accepting a bid based on a flat rate per cubic yard of debris removed, rather than the pricing format currently provided?

   Answer: The City will consider an alternative pricing model, including a per-cubic-yard rate, submitted as supplemental pricing. Proposers must also complete and submit Exhibit 1 – Fee Proposal, which will be used for formula-based fee scoring.

   Supplemental pricing shall clearly describe the proposed Services, how debris volume will be measured, and all rate inclusions, minimum charges, assumptions, and conditions of use. Alternate pricing must comply with the Solicitation's all-inclusive pricing requirements and is subject to City acceptance and incorporation into the Contract. Supplemental pricing will not be included in the formula-based fee score.

The inquiry deadline has passed. No further questions will be accepted.

This Addendum amends the Solicitation as outlined above. All other terms and conditions of the Solicitation remain unchanged.

Proposers shall acknowledge receipt of this Addendum on the **Solicitation Response Form** (Section 7.0) and submit the completed form with their proposal.

Respectfully,

Kathleen Franklin
